Zacarias Moussawi
Reg n° 51427-058
case 1:01-cr-455 (LMB)

Object:
Death sentence by Executive
Presidential Order.

Greeting

Your Honor, as presiding and
sentencing judge your Court sentenced
me at life without parole.

Instead your Honor might concern
that there is a possibility if not a
probability that if the Ex US President
Donald Trump was to be reelected
he will sentence me to death by
presidential executive order.

Indeed, I was warned by attorney
Charles Freeman and Professor
Reza that US law permit the US
President to sentence to death any
federal prisoner deemed to be a
threat to National security.

I believe your Honor and your court is aware that in 2014 I gave a court deposition in the 911 civil case in front of US District Judge. Daniel in New York.

Subsequently my deposition was to my truthfull and honest knowledge through the media declare a "State Secret" a first in the US legal history according to the report.

Then in 2015 I had an interview on video in which Harry Samit (FBI) told me that I was a threat to national security as he and James Fitzgerald, Efan Santiago and Robert Murphy (FBI's) were interviewing me.

Your Honor and your Court will unders-
tand that due to the case of Michael Flynn in which the US Attorney Bank withdrew the charges against Michael Flynn, once ^{President} Trump National Security advisor after Michael Flynn pleaded guilty and was due for sentencing to the best of my knowledge.

This action by the US President and the US attorney general make me believe that it is not far fetch to imagine anticipate that I will be sentence to death as a threat to national security. Not to forget it will be at the acclaim of the general public and open the door for any body else deem to be threat to national security.

Since 2022 I have pledge my collaboration to the US government against Al Qaeda and all his members such as KSM in the 9/11 and recanted my fake, false deposition in the 9/11 civil case. I am waiting for a response but I am still and even more committed to testify against all the so call Jihadist, Al Qaeda, Hamas, etc...

In the meantime there is the real prospect that the Ex President is reelected and therefore the election I want to apply to this court and the US government to be transfer to France to finish my sentence.

Even If I was not sentence to a term
 of years ~~the~~ your Court could
 agree that because the average
 life expectancy for a federal
 inmate is 65 yrs and I am 56 yrs.
 and I already serve 23 yrs.
 in Solitary Confinement in Super
 max 18 yrs. ~~which~~. And the
 guidance to finish your sentence
 is to have serve ~~me~~ at least half
 of your sentence and because
 I already serve 23 yrs with
 9 yrs to live according to the
 federal prison guideline ~~of~~ and
 is I believe that a proper lawyer
 could plead to ~~the~~ your Court.
 that I could be transfer to
 France to serve the rest of my
 life sentence and before the
 potential inauguration of
 Ex President Trump.

May ~~the~~ your Honor and Court
 believe that I come to the under
 standing that 9/11 was maybe
 a tactical success but a strategic
 disaster who on perpetrated
 the policy that America and the

West are the probleme.
 Whereas the probleme is the
 Uabi and the enemy of Islam
 the wannabe Messiah like Bin
 Laden, ISIS, Hamas all
 bringing unbelievable misery
 to the Muslim and falling to
 to speak the Truth and the
 Good news of the return of
 the True Messiah Jesus the Son
 of the Virgin Mary Peace be upon
 them.

May Your Honor and your Court
 direct the DOJ to allow me
 to contact and retain a lawyer
 such as my lawyer in the
 Court of Appeal, Arnold & Porter,
 and Joyce Ellen Rosendahl
 also approved under the "SAM"
 in the past and had on has my
 belonging after sentencing.

May Your Honor and your Court
 enter an order as soon
 as your Court find it appropriate
 and grant me my different
 Request, petition.
